FIRSTNET IN CALIFORNIA

HUMBOLDT TOWN HALL

River Lodge Conference Center | 1800 Riverwalk Drive | Fortuna, CA 95540

REGISTER NOW!

Don't miss California's Town Hall dedicated to public safety broadband communications. Talk directly with FirstNet representatives:

- Karen Wong, California's State Point of Contact
- Sue Swenson, FirstNet Board of Directors Chairwoman
- Carl Rebstock, FirstNet Tribal Outreach Lead

FirstNet was created by Title VI of the Middle Class Tax Relief and Job Creation Act of 2012 (PL112-96). The law includes provisions to fund and govern a nationwide public safety wireless broadband network, reallocate the 700 MHz D Block spectrum to public safety, and authorize the FCC to conduct incentive auctions to raise **\$7 billion** for building and managing the new network.

- Hear the answers to the questions, "What is FirstNet? What will it cost? When will I see it? How will it affect me?" and more from FirstNet experts
- Learn about California's developments, current initiatives and how to participate
- Participate in a panel discussion with leaders from Nevada and Oregon
- Listen to local perspectives from Humboldt's public safety community

SPACE IS LIMITED | REGISTER NOW

By email CalFRN@caloes.ca.gov or phone at 916-657-9466 to attend in person
Or register at <https://pscdmeetings.webex.com> if you plan to view via WebEX
